

How to get to the Düssel-Cup indoor football tournament

Dear athletes,
Dear guests,

As the direct passage to the sports hall from Siegburger Straße is **closed** due to major construction work, access is only possible via Höseler Straße (**see map**).

Vehicles are **not permitted** to drive through the **left gate** onto the school grounds (see detailed description on p. 2).

Vehicles are **permitted** to drive through the **right gate** and use the car park: marked **in blue** on the map.

Alternatively, cars can also be parked on Siegburger Straße or in the nearby side streets.

Thank you for your understanding.

We look forward to seeing you!
